

CHISOMO

S A F A R I C A M P

Chisomo Safari Camp is alive with the old-world romance of safari - canvas and thatch opening to shaded gathering spaces, lantern light, the hum of conversation, and the bush just beyond. Generous lounges, a spacious bar, and sociable dining areas make Chisomo a camp full of connection, while shaded tented suites offer comfort and privacy when you need it. With two bomas, one at the heart of camp and the other tucked closer to the river, evenings carry the warmth of firelight and the rhythm of the bush. Relaxed and welcoming, it is the perfect setting for families, groups, or travellers who want safari to feel both authentic and shared.
